Editorial style

In order to avoid common problems of style:

1. use quotation marks
 - a) when a standard term is used in a nonstandard way: ‘nnnnnn’
 - b) to indicate the beginning and ending of a direct quotation: “nnnnnn”;
2. italics may be used only sparingly for words in foreign languages, as well as to introduce and emphasize important terms.

PROOFS

Page proofs will be sent to the author for correction of typographical errors only. In the case of two or more authors please indicate to whom the proofs should be sent.

OFFPRINTS

One copy of the issue in which their article appears will be sent free of charge to each named contributor as well as the PDF file of the article.

Additional copies may be purchased at authors' expenses at proof stage. If you need further information, please contact Vita e Pensiero editorial office (redazione.vp@unicatt.it).

CONTENT SHARING – OPEN ACCESS POLICY

Each author can, immediately after the publication and without any time embargo, freely share his/her manuscript (*submitted version*) in Word, or to other formats as it was originally delivered for publication - i.e. without our processing elaboration, submission, revision, editorial layout, etc. -, in green open access, on websites or online archives or repositories.

Each author can contractually choose to share – with an embargo of 18 month - the final processed and published PDF of his/her article (*accepted version*), revised, edited,

produced and owned by the publisher for the exclusive use in its publication, on websites, on online archives or on repositories.

The editor contractually provides each author, free of charge, as digital offprint, a PDF of the final processed and published version of his/her revised and accepted article, for strictly personal use only. The copyright of this final processed and published PDF and of all previous PDF versions used in the various proofreading processing stages is wholly owned by the publisher, as the original manuscript has been processed (revised, edited, produced, etc.) by Vita e Pensiero editore in order to be used exclusively in its own printed and online publications. This final processed and published PDF contractually cannot, in whole or in part, be shared in open access, on websites (e.g. academia.edu, etc.) or online archives or repositories, without the written permission of the publisher.

Author's fee
